# Grades 09 - 12 Summer School

## General Information

The Keansburg School District will provide a high school summer school program that offers high school credit courses to current high school students. Residents and non-residents may enroll in the summer program. Courses offered are recognized for credit, and may be used to fulfill graduation requirements. Credits may be transferred to other high schools.

## Registration Procedures

Keansburg High School students may register at the KHS Guidance office between June 5th and June 22, 2018. Please see your guidance counselor to register. Non-District students must register in person at one of the dates listed below.

## When to Register

Registration for Non-District students begins June 18, 2018. Non-District students must register in person and bring a completed application (signed by their guidance counselor) to registration with payment.

**June 18 - 22    1:00pm - 3:30pm**

**June 25 & 26    9:00am - 2:00pm**

## **Registration will take place at:**

**Keansburg High School  
Guidance Department  
140 Port Monmouth Road  
Keansburg, NJ 07734**

**ONLY Cash or Money Orders will be accepted**

## Location

Summer School 2018 will be held at Keansburg High School, 140 Port Monmouth Road, Keansburg. All Session I students must report to the Cafeteria at 7:45 a.m. on Wednesday, June 27th, 2018, for a short orientation and to receive their room assignments. All Session II students must report to the Cafeteria at 10:45 a.m. on Wednesday, June 27th, 2018.

# Summer School Times and Cost

## Dates:

June 27th – August 1st, 2018

*Summer School classes are Monday – Friday*

## Times:

Session I: 8:00 a.m. to 10:30 a.m.

Session II: 11:00 a.m. to 1:30 p.m.

## Tuition (Due at time of registration):

***KHS District Students:***            **There is no fee for Keansburg residents.**

***Non-District Students:***            \$325 for 5 credit course  
  \$244 for 3.75 credit course  
  \$81 for 1.25 credit course

## Refund Policy:

### **No refunds once the class begins.**

Insufficient enrollment in a course will necessitate cancellation. Students and parents will be notified on June 26, 2018. In the event of a course cancellation, any tuition paid for a canceled class will be refunded.

## Attendance:

Students are expected to attend all classes and complete all homework and other assignments in order to receive academic credit for the course. Since attendance requirements are set by law, all students must attend class daily, completing all hours required. Therefore, **students are not permitted to have any absences.**

## Lateness:

Students are required to arrive on time for all classes. There are no exceptions.

## PARCC Testing:

Any student in a Math or English course must be present in school on July 30th **AND** July 31st to participate in **MANDATORY** PARCC testing (if you have not previously received a proficient score).

**PLEASE NOTE:** You must provide your own transportation to and from summer school.

# Summer School Courses

## Mathematics Department

### **Algebra I**

Grades: 9-12

Credits: 5

Prerequisite: None

This course covers the concepts of Algebra from number theory and linear equations through systems of equations in two variables, rational/irrational expressions, inequalities, functions, and problem solving skills. At the conclusion of this course students will be prepared to move on to Geometry.

### **Algebra II**

Grades: 10-12

Credits: 5

Prerequisite: Algebra I and Geometry

After a review of elementary algebraic functions and concepts, this course continues the study of open sentences, graphical representations and methods, polynomials and factoring, rational expressions and equations, quadratic functions and equations, complex numbers and matrices.

### **Geometry**

Grades: 9-12

Credit: 5

Prerequisite: Algebra I

This course is designed for the student who has proficiency in Algebra I. The scope and sequence of this course ranges from the application of basic geometric concepts to the application of more complex geometric principles. A hands-on, discovery approach will emphasize geometric principles and theories.

## **English Department**

### **English I**

Grades: 9-12

Credits: 5

Prerequisite: None

This course includes an emphasis on the written process as applied to descriptive, expository, persuasive, and narrative essays. The study of vocabulary and literary terms is included, as is the development of basic research skills. A portion of the course is devoted to the study of the novel, short story and drama and literary elements found in each. Many activities will prepare the students for the PARCC Assessment and the SAT.

### **English II**

Grades: 10-12

Credits: 5

Prerequisite: None

This course focuses on the development of practical language skills for sophomores. Emphasis is placed on the writing process, focusing particularly on revision and editing. Narrative, descriptive, explanatory, and persuasive writing are addressed. The study of literature includes the novel, the short story, drama, and poetry. Research skills will be developed. Many activities will prepare the students for the PARCC and the SAT.

### **English III**

Grades: 11-12

Credit: 5

Prerequisite: None

The purpose of this course is to prepare students for the rigorous demands of college level study. The students will be exposed to British writers and genres. Activities will be directed toward the immediate goal of preparing for such college entrance exams as the SAT/ACT and toward developing study skills to be used in high school and college. In addition, the course is designed to improve skills in writing, vocabulary, reading, and speech. Students will also develop a research paper systematically from topic selection to final draft.

### **English IV**

Grade: 12

Credit: 5

Prerequisite: None

This course stresses the relationship between academic writing, reading comprehension, and analytical thinking. While the emphasis will be on exposition, students will practice writing in a variety of modes to a range of audiences. They will critically analyze various types of literature. Clarity, completeness, quality of argument and style will be goals of writing. Students will be exposed primarily to World Literature from various eras and will complete a senior research paper.

## **Physical Education/Health Department**

**Health - First 6 Days of Summer School - June 27<sup>th</sup> - July 5<sup>th</sup> (Closed July 4<sup>th</sup>)**

**Physical Education - Last 18 Days of Summer School - July 6<sup>th</sup> - August 1<sup>st</sup>**

**Health - Start Date: June 27<sup>th</sup>**

Grades: 9 - 12

Credit: 1.25

Prerequisite: None

This comprehensive course addresses areas covered in Health 9, 11, and 12. Students will be introduced to important health related topics that include nutrition, diet and exercise, and mental wellness. Emphasis will be placed on the impact of proper fitness training. Students will further discover the adverse effects that drugs and alcohol has on the body. By the end of the course, students will have a better understanding of relationship issues, including dating, engagement, marriage, divorce, and dying.

**Physical Education - Start Date: July 6<sup>th</sup>**

Grades: 9 - 12

Credit: 3.75

Prerequisite: None

Physical Education classes consist of a well-rounded group of individual and team sports and fitness activities selected and taught to foster the development of human growth and social behavior. Physical Education is concerned primarily with teamwork, cooperation, problem-solving skills and rule comprehension. These are attained by addressing social, mental and intellectual development of all students.

# Summer School Expectations

*Must be signed and returned no later than June 27<sup>th</sup>*

1. Students must be in their classroom by 8:00 a.m. for session I and 11:00 a.m. for session II each day.
2. Students are not allowed to smoke on the grounds or in the building.
3. Students should arrive ten (10) minutes before the start of class and should leave the grounds once class is dismissed for the day.
4. Students that drive must park in the designated parking area. No parking in Fire Lanes or Handicapped Parking Areas.
5. Students should not be in any other part of the building.
6. Students will not be allowed to leave the building during the breaks.
7. KHS Student / Parent Handbook will serve as a guide for summer school. Students that violate school rules will be dropped from summer school. Students are expected to comply with all rules.
8. Attendance is mandatory! Students are required to arrive on time for **all** classes. There are NO EXCUSED absences from summer school. VACATION AND/OR ILLNESS **WILL COUNT AS ABSENCES** FROM SUMMER SCHOOL.

Failure to comply with these rules will result in dismissal from summer school, a loss of credit, and **no refund**.

By signing below, I agree that I read the above rules and have agreed to abide by them or risk being dropped from summer school with a grade of "W".
