## ***DEFINING THE FUTURE***

### **Strategic Planning Session**

**Date: Saturday, November 22, 2014**

**Time: 9:00 am – 1:00 pm**

**Location: Henry Hudson Regional School  
Genevieve M. Hawley Cafetorium**

***Help us plan the future!*** Be part of this exciting process! Work with your neighbors, friends, teachers, and administrators to create a shared vision for the future of the Atlantic Highlands, Highlands, and Henry Hudson Regional School Districts.

Using a dynamic process, guided by facilitators from the New Jersey School Boards Association, we will work together to develop the goals and objectives necessary to move the district forward to meet the challenges of the 21<sup>st</sup> century. Through this process you will have an opportunity to provide input on the future direction as well as current strengths and needs of the tri-district. We are inviting staff members, parents, community leaders and other interested members of the public to contribute their thoughts, ideas and hopes – so we can effectively plan for the future of our students.

We hope that you will be able to join us for this important day. Please call the Superintendent's Office at (732) 872-1517 ext. 1 or email Marge Servedio at [mservedio@henryhudsonreg.k12.nj.us](mailto:mservedio@henryhudsonreg.k12.nj.us) if you plan to attend.

November 11, 2014

Dear Members of the Tri-District School Community:

As Superintendent of Schools, it is my pleasure on behalf of our three Boards of Education to invite you to participate in the final stages of our Strategic Planning Process. In this stage, our intention is to bring together a focused group of 25 to 50 community and school leaders to share our initial, school-specific strategic plans as a foundation for a shared, Tri-District Strategic Plan. For this to succeed, we will need your input as we identify the strengths of our school districts (those special attributes that we can build on as we move into the future) and the critical issues that we face (the challenges that our districts must be prepared for in the future). The group will meet in small and large groups, and discussion will lead us to a consensus document that will help us develop goal areas focusing on the future of our Tri-District schools. Our three Boards of Education will use this document to help shape future goals for the Tri-District as we move forward.

**The Strategic Planning Council will meet on Saturday, November 22<sup>nd</sup>, from 9:00 – 1:00 in the Henry Hudson Regional School Cafetorium. Breakfast and lunch will be provided.**

We are reaching out to a wide variety of leaders within our community in an effort to have input and collaboration with all constituencies. We hope that you will offer to participate and will encourage others to do so as well. Please call the Superintendent's Office at (732) 872-0900, ext. 2006, or send us an email at [mservedio@hhhs.us](mailto:mservedio@hhhs.us) to let us know if you will be able to join us in this exciting opportunity to assist in shaping the future of our schools.

Sincerely,

Dr. Susan Compton  
Superintendent
